Call us at: **800-359-5520**

Or, chat at: **SANUS.com/chatSO**

PARTS INCLUDED

Base

Screws (Option 1 Install)

Command™
Picture
Hanging Strips
from 3M®
(Option 2 Install)

TOOL NEEDED (for Option 1 Install)

Phillips Screwdriver

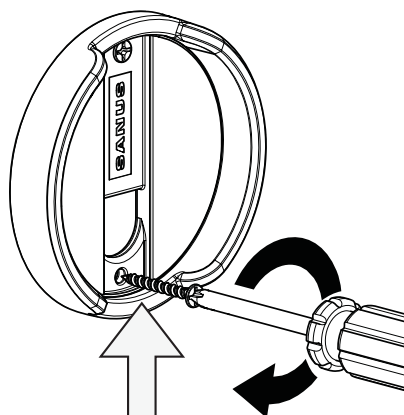

OPTION 1: Mount with Screws

Secure the base in place using the two screws provided.

The screws are designed to work with wood stud or drywall only, without anchors. Predrilling is not necessary.

CAUTION:

Avoid damage to the base.
DO NOT overtighten the screws.

Align the channel
for plug insertion.

OPTION 2: Mount with Command™ Picture Hanging Strips from 3M®

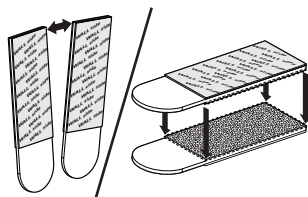

Lightly clean both wall and dot mount surfaces with isopropyl alcohol.

DO NOT use household cleaners as they may leave behind residues which can affect adhesion.

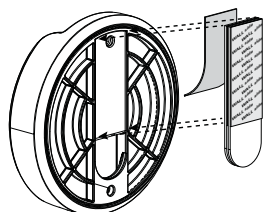

A

Separate the strips and press together until they click.

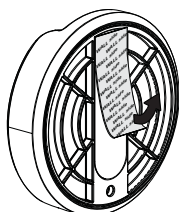

B

Remove one liner and press the pair of strips onto the back of the base.

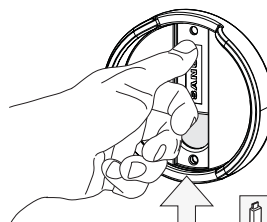

C

Remove the other liner.

D

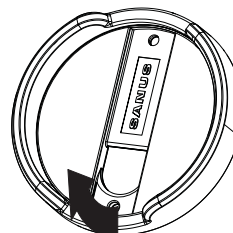

Press the base firmly against the surface for 30 seconds.

Align the channel
for plug insertion.

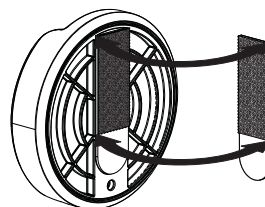

E

Remove the base by lifting up at the bottom of the base. Now press the strip on the wall for 30 seconds to ensure adhesive hold.

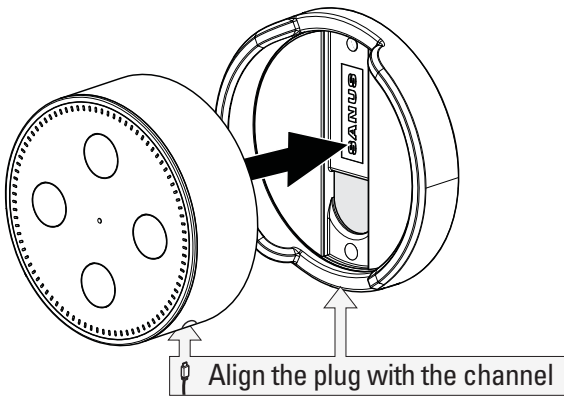

F

Wait 1 hour before reattaching the base. Line up the strips and press until they click.

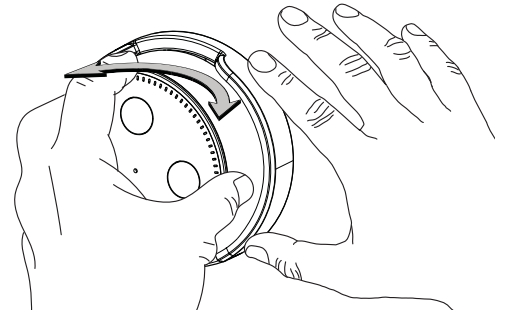

Install the Echo™ Dot Into the Base

Removing the Echo™ Dot from the Base

Hold base firmly, then “rock” the dot out of the base.

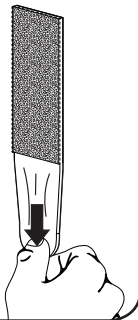

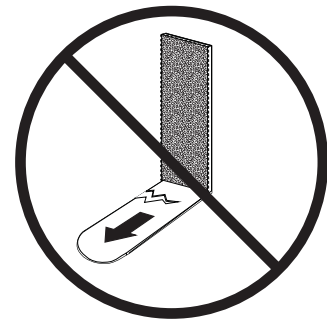

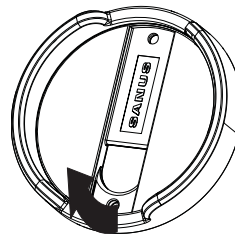

Removing the Echo™ Dot Base

Remove the base by lifting up at the bottom.

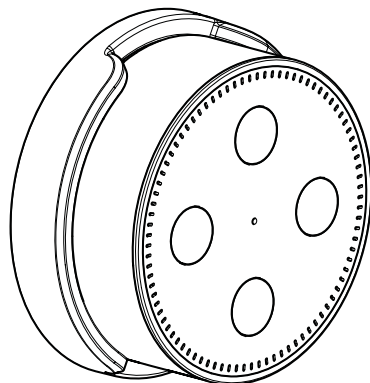

Grasp the end of the Command™ Strip and pull **DOWN** slowly, until the strip releases from the wall.

! DO NOT pull the strip AWAY from the wall.

“We’ll look so good on your Echo™ Dot!”

At SANUS, we hold our products to the highest of safety and quality standards, and we proudly stand behind every product we make.
